Rechargeable LED Scene Light, 1200 Lumen

Produktnummer: BAYXPR-5592GX

The XPR-5592GX Rechargeable LED Scene Light is ideal for use when portability is important.
cULus, ATEX, INMETRO, and IECEx-certified Intrinsically Safe for use in hazardous environments, the array of 5 floodlight LEDs perfectly emit an impressive 1,200 lumens on high for 6 hours, or 650 lumens on low for 12 hours when activated using the robust three-position toggle switch. The housing is constructed from lightweight glass-filled nylon polymer, keeping it cool to the touch while being chemical, heat, and impact resistant.

A heavy-duty rare-earth magnetic base is securely mounted on the bottom to provide 360 degrees of hands-free rotation for proper light placement on any job site. Powered by an integrated lithium-ion battery, the light includes an adjustable steel handle for carrying or hanging and both AC/DC power supplies placed inside a durable blow-molded carrying case for ease of use and storage.
