

Safety Boot RW Petroking LT ZIP/Lace 8"

Produktnummer: 03207

Lightweight and flexible, this men's puncture-resistant work boot with static dissipative protection redefines how comfortable, heavy-duty safety footwear can be. Advanced materials and innovative safety features keep you protected and productive in demanding environments. The full grain leather upper, non-metallic safety toe and ForceGuard™ system surround the feet with the ultimate in protection from abrasions and chemicals. Underneath, the TredMax rubber outsole provides best-in-class slip and heat resistance.
