For head protection with excellent ventilation designed for harsh environments, use 3M™ Hard Hat, G3000NUV-VI-

Our white hard hat features ratchet suspension, a plastic sweatband and a softly rounded design that provides a good field of vision and helps avoid parts snagging on cables or branches-

Ventilation holes distributed over a large area offer maximum through-flow of air, increasing wearer comfort-

A short peak gives improved upwards visibility and a 3M™ Uvicator™ sensor disc tells you when your hard hat has been over exposed to UV-radiation and it's time to replace it-

The head harness can be rotated 180° for better visibility when working in confined spaces-
