

3M Ear Defenders Peltor Optime III Helmet Mounted SNR3

Produktnummer: 3MH540P3E-413-SV

- Reduces noise levels up to 33 dB
- Double casing technology minimises resonance effect
- Large space inside the cups helps minimise heat and moisture build-up
- Soft, wide, foam cushions help reduce pressure around the ears

3M™ PELTOR™ Optime™ III Earmuffs are high performance hearing protectors for use in extremely loud environments, reducing noise levels by up to 33 dB. They have a double casing that minimises resonance and comfortable soft, wide cushions to decrease pressure around the ears. Available in headband, neckband, helmet attached and Hi-Viz green models. Get comfortable, high performance hearing protection with 3M™ PELTOR™ Optime™ III Earmuffs. They're ideal for use in extremely loud environments such as airports, power stations, marine engine rooms and print works. The large space inside the cups helps reduce heat and moisture build-up, and the soft, wide foam cushions offer low contact pressure around the ears, making them comfortable to wear for long periods and increasing compliance through user wear preference.
