

Gloves Ringers Knit Cut 5

Produktnummer: RI065

Cut-resistant impact gloves, with a TPR design and knit shell for dexterous comfort.

Specialized defenses: Thank to a breathable knit shell developed with RINGERS® F3 Technology™, these impact-resistant gloves combine advanced, EN/ANSI-certified cut resistance with excellent comfort and dexterity

Enhanced protection: Along with their knit shell, RINGERS® R065 safety gloves feature a patented TPR (thermoplastic rubber) design and a half-dipped nitrile palm, providing ANSI/ISEA 105-2024 compliant protection

Enhanced features: Their high-visibility design, with touchscreen-compatible thumb tips, index and middle fingers, enhance user-friendliness, while improving workplace safety

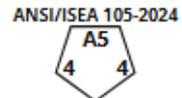

Improved grip: Their half-dipped coating features a palm with a sandy finish, offering wearers secure grip in wet and dry environments, for greater overall hand safety

Standards and certifications:

EN ISO 21420:2020

Manufacturer website: [RINGERS® R065 nitrile half-dipped impact gloves | Ansell Norway](#)
