3M Mask Full Face (large). EN 136 Class 1

Produktnummer: 3M6900

Soft, silicone faceseal helps provide comfort

Four-strap suspension helps create a balanced and comfortable feel on the head

Large polycarbonate lens offers good visibility and meets the requirements of the ANSI Z87.1-2010 standard, high impact level for eye and face protection

The 3M™ Full Facepiece Reusable Respirator 6000 Series features a large polycarbonate lens, soft, silicone faceseal and 3M™ Cool Flow™ Exhalation Valve. The 6000 Series is NIOSH-approved to protect against certain airborne contaminants when used with 3M bayonet-style filters and cartridges.

3M™ Full Facepiece Reusable Respirator 6000 Series has a large polycarbonate lens for excellent field of vision and a soft, lightweight silicone faceseal. Equipped with the 3M™ Cool Flow™ Exhalation Valve that helps release warm and moist exhaled breath from inside the respirator, allowing for easy breathing. Unique center adapter directs exhaled breath and moisture downward while reducing the occurrence of dirt and debris collecting in the valve. Meets the requirements of the ANSI Z87.1-2010 standard, high impact level for eye and face protection.

Helps reduce exposure to a broad range of gases, vapors and particulates when properly fitted and used with approved 3M bayonet-style filters and/or cartridges providing respiratory protection for concentrations up to 50 times the OSHA permissible exposure limit (PEL) when quantitatively fit tested.

Connects with all 3M™ bayonet-style 2000, 5000 and 7000 Series filters and 6000 Series cartridges and can be used with certain 3M™ Powered and Supplied Air Systems for increased convenience and flexibility including TR-600 andTR-800 PAPRs and Dual Airline supplied air systems,making it a go-to choice for health and safety managers. Recommended applications include assembly, chemical cleanup/handling, chemical splash, chiseling, cleaning, furnace operations, grinding, laboratories, machining, masonry, painting, sanding, sawing and more.

The 6000 Series offers replacement spare parts to help maintain the right level of comfort and protection when parts become worn or damaged. Available in three sizes: small, medium, and large.
