3M Safety Helmet Peltor G3000, White

Produktnummer: 3MG3000CUV-VI

3M™ G3000 Safety Helmet with Pinlock Suspension

A safety helmet with excellent ventilation and a wide field of vision, designed for use in harsh environments.

The 3M™ Uvicator™ indicator tells you when the helmet has been exposed to more UV radiation than it can withstand and it is time to replace it.

A lightly rounded design helps prevent helmet parts from getting caught on wires or branches.

Highlights

A safety helmet with excellent ventilation and a wide field of vision, designed for use in harsh environments.The 3M™ Uvicator™ indicator tells you when the helmet has been exposed to more UV radiation than it can withstand and it is time to replace it. A lightly rounded design helps prevent helmet parts from getting caught on wires or branches.

Ventilation openings are distributed over a larger area, providing maximum airflow and increased comfort for the user.The head suspension can be rotated 180° for better visibility when working in confined spaces. A short brim provides improved upward visibility.

Short brim for better upward visibility.Options available for printing brand names and logos.Replaceable sweatband in leather or plastic. Mining lamp holder available as an option. Approved for use at temperatures down to -30°C.
