Dust & Gas Protection 1/2 mask, SR-100, size M /L

Produktnummer: SUNH01-2012

SR 100 Half Mask – High Protection & Comfort

DescriptionThe SR 100 half mask combines uncompromising protection with exceptional comfort. Designed for demanding working environments, it delivers a high level of protection together with excellent breathability and a secure, comfortable fit. Available in three sizes, it is developed using global sizing data to ensure an optimal seal while still allowing freedom of movement.

Comfort & Materials

Made from soft, non-allergenic material

Leaves no irritating residue on the skin

Lightweight design reduces fatigue during long use

Fit & Stability

Wide face seal for reliable protection

Large crown plate and flexible head harness ensure a secure and stable fit

Designed to provide a tight seal without restricting movement

Breathing Comfort

Dual exhalation valves improve airflow

Reduces breathing resistance and user fatigue

Compatibility

Part of the Sundström system solution

Compatible with multiple configurations and filters

SummarySR 100 delivers a balance of high protection, ergonomic design, and excellent comfort for use in demanding environments.
