

Safety Boot RW 3280 PetroKing Women's

Produktnummer: 03280

Lightweight and flexible, this women's waterproof, puncture-resistant work boot with static dissipative protection redefines how comfortable, heavy-duty safety footwear can be. Advanced materials and innovative safety features keep you protected and productive in demanding environments. The full grain leather upper, non-metallic safety toe and ForceGuard™ system surround the feet with the ultimate in protection from abrasions and chemicals. Underneath, the TredMax rubber outsole provides best-in-class slip and heat resistance.

TECHNOLOGIES

Non-Metallic Toe, Puncture Resistant, Static Dissipative, Swen Flex, HRO Heat Resistant, ForceGuard, Slip Resistant
