

# 3M Lens Cleaner Dispenser 500 Sheets

**3M**

Produktnummer: 3M26-2000-00M

3M™ Disposable Lens Cleaning Tissue Dispenser, 26-2000-00 is a dispenser for individually wrapped and sealed lens cleaning tissues which have been pre-moistened with a cleaning solution.

Help workers maintain clean lenses while working on site with 3M™ Disposable Lens Cleaning Tissue Dispenser, 26-2000-00. The dispenser can hold 500 individually wrapped cleaning tissue sachets which are ideal for storing in pockets for easy use wherever you're working. The tissues are pre-moistened with a cleaning solution and are effective in a range of working environments.
