

3M Mask Dustmask FFP2 NR D

Produktnummer: 3M8810

3M™ Particulate Respirator 8810 is a classic cup-shaped FFP2 respirator with a lightweight, twin-strap design. It features a convex shape, soft nose foam and nose clip to help you get a comfortable fit across a broad range of face sizes.

Get protection against hazardous dusts and mists with 3M™ Particulate Respirator 8810. Tried and tested for over 40 years, the classic, cup-shaped disposable respirator provides secure and comfortable FFP2 (NPF 12) protection against dusts and mists. With a durable, collapse-resistant inner shell and convex shape, the lightweight, twin-strap design features a nose clip and soft nose foam to help get a comfortable, secure fit across a broad range of face sizes. Designed to work well with 3M Eyewear and Hearing Protection products.
