

3M Ear Plugs EAR Soft Yellow Neon Dispenser **Box 250**

Produktnummer: 3MES-01-001

The 3M™ E-A-Rsoft™ Yellow Neons™ Earplugs are designed for insertion into the ear canal to help reduce exposure to hazardous levels of noise and loud sound. These products are available in a corded and uncorded version. The uncorded version is also available in the 3M™ E-A-R™ One-Touch™ Pro Earplug Dispenser format. These products may be used in high noise environments and provide effective protection across all test frequencies.

Key features

Slow expanding polyurethane foam

- Soft foam helps provide low pressure inside the ear
- Tapered shape conforms quickly to fit comfortably in most ear canals
- SNR 36dB see table of full attenuation data
- Particularly suited for low frequency noise Compatible with the 3M™ E-A-Rfit™ Dual-Ear Validation System
- Vibrant colours neon yellow colour for hearing protection compliance sighting Available in both uncorded (ES-01-001) and corded (ES-01-005) versions
