

3M Hygiene Kit for H540 Twin Cup Headset / H10

3M

Produktnummer: 3MHY13

Extend the service life of your ear defenders by using this hygiene kit from 3M. It contains two replacement muffler pads, which dampen noise, and a pair of sealing rings that give a close fit for comfort and effectiveness. It's recommended that you replace these parts every six months to keep your ear defenders hygienic and performing well.
