

Half foam gasket for Safety Specs RW 95212

Produktnummer: ALLFOAM95212

Enhance Your Protection with the Half Foam Gasket for Red Wing Safety Specs 95212.

Upgrade your Red Wing 95212 safety glasses with our high-quality Half Foam Gasket. Designed for a secure and comfortable fit, this foam insert provides added protection against dust, debris, and airflow—perfect for demanding work environments.

The lightweight foam material ensures all-day comfort while improving the seal around your eyes, making your 95212 eyewear even more reliable. Easy to install and built to last, it's the ideal accessory for anyone who needs enhanced safety without compromising comfort.

Key Benefits:

- Improved protection against dust, particles, and wind
- Comfortable foam design for extended wear
- Compatible with the 95212 safety glasses
- Quick and easy installation
