Bracket for Cederroth 500 ML bottle

Produktnummer: CED215025

Robust and practical wall bracket for Cederroth Eye Wash 500 ml. The wall bracket gives the bottle a fixed location so everyone knows where it is. The bottle is held in the wall bracket, and opens automatically when twisted out of the bracket – so flushing can begin immediately. Cederroth Eye Wash can be positioned in several different ways, making it suitable for all workplaces. Comes with a fluorescent instruction sign.
