Insole Currex Workpro High

Produktnummer: CUR2801

Stay energized and protected throughout your workday with CURREX WorkPro insoles. Engineered for safety footwear (EN ISO 20345:2011) and ESD-certified for antistatic protection, they deliver superior comfort, shock absorption, and stability.

- Dynamic Arch Technology (DAT) reduces pressure & fatigue
- Targeted cushioning in heel and forefoot for all-day relief
- Stabilizing midfoot bridge supports proper alignment
- Individually matched to your foot type for a custom fit
