

Glove M-Pact 2

Produktnummer: MECMP2-55-COVERT

From racing to industrial safety, the M-Pact® 2 knows no bounds when it comes to protecting your hands from impact, abrasion, and hand fatigue. The M-Pact® 2 delivers updated protection to the fingers and knuckles and improved palm features that allow you to work smarter not harder. The M-Pact® 2 incorporates ARIAPRENE® COR foam, EVA foam padding and Thermoplastic Rubber (TPR) across the fingers and knuckles for enhanced protection against blunt force impact. A re-designed dual layer palm built with EVA foam padding and D3O® Aero for protection and Padlock® Silicone grip for increased durability and grip.
