Glove Cut Rating 4.5.4.4 Polyco Matrix green

Produktnummer: POLMGP

Matrix Green PU is a cut level C polyurethane coated glove, manufactured from materials designed to be hard-wearing and long lasting. Matrix Green PU features a high visibility green liner, to enhance safety and comply with colour coded work sites, especially those in the construction sector.

Features

Colour

- High visibility colour improves visual awareness even in subdued light

Cut Resistant

- Achieves cut level C according to EN388, for protection in high risk cut hazard applications.

Abrasion Resistant

- Polyurethane palm coating provides outstanding abrasion resistance and an excellent grip

Tear & Puncture:

- Extremely durable and achieves excellent EN388 score for tear resistance

Closure:

- Elasticated knitted wrist provides a secure fit and keeps hands free from dirt and debris

Abrasion Resistant:

- Achieves a maximum score of Level 4 for abrasion resistance as defined by European Standard EN388
- Provides excellent durability under intense mechanical duress

Primary Coating Polymer:

- Polyurethane

Fit:

- Soft seamless knitted liner provides superior comfort for this level of protection

Industrial Gloves Standards:

- EN 388 Protective gloves against Mechanical Risks: 4X43C
- EN ISO 21420:2020 Protective gloves: General requirements

Please Note:

May contain latex in elasticated cuff which can cause allergic reactions, including anaphylactic response.
