

Gloves Ringers Impact w/ Cut 5

Produktnummer: RI169

Durable medium-duty impact gloves, offering wearers excellent coverage and cut resistance

- **Specialized defenses:** RINGERS® R169 impact protection gloves have been developed with Ringers' F3 Technology™ and a patented TPR (thermoplastic rubber) design, protecting hands from the top down and over the knuckles and fingers
- **Enhanced features:** They feature a hook and loop rubber pull tab closure, for a secure cuff with an adaptable fit, while a seamless index finger design further protects areas prone to wear and tear
- **Advanced defenses:** These RINGERS® gloves are rigorously tested, meeting EN 388 level F and ANSI/ISEA level A5 cut resistance standards
- **Improved durability:** Premium synthetic leather has been used in these cut-resistant gloves' palm construction, enhancing durability
