Bump Cap Protector First Base HC2403 Royal Blue

Produktnummer: SCHC2403

3M™ First Base™ 3 Bump Cap Classic in royal blue provides head protection to EN812:A1, with a baseball cap design and standard peak length (70 mm). It's made with lightweight micro-fibre fabric and has side-mesh ventilation. This is combined with a flexible, ergonomic ABS shell.

Get 3M™ First Base™ 3 Bump Cap Classic in royal blue for head protection to EN812:A1. This baseball-style bump cap is made with lightweight micro-fibre fabric to reduce humidity and permit air circulation. Side-mesh ventilation also enhances breathability and comfort. A flexible, patented acrylonitrile butadiene styrene (ABS) shell guards against bumps and lacerations, while also being ergonomically shaped for comfort. The design provides enhanced coverage for a wide range of head sizes, with a standard peak length (70 mm).

- Protects wearer from light contact with stationary objects
- Provides industrial bump protection to EN812:A1
- Lightweight micro-fibre fabric reduces humidity and permits air circulation
