

Gloves Showa 377 Assembly grip F/C

Produktnummer: SHO377

Offering protection against a wide range of harmful substances, the 377 chemical-resistant glove is championed for its ultra-tactile grip and superior durability.

Its nitrile foam coating enables you to handle the toughest jobs with ease, even in the most slippery environments.

A seamless liner and elasticated cuff keep debris out of the glove whilst keeping hands warm and protected.

- Chemical-resistant
