

# Safety Shoes Sievi Roller High+ S3

Produktnummer: SIE52185-312-9PI

The Roller High model is equipped with the BOA® Fit System for micro-adjustable, precision fit. The foot is protected with a light composite toe cap and perforation-resistant steel midsoles. The memory foam ankle protection adapts to the shape of your foot and prevents ankle injuries by supporting the foot and cushioning the ankle against knocks.

## **Safety class**

EN ISO 20345:2022 S3 SC FO AN
