Silencer Blast Safe, Irongrip

Produktnummer: SIL701000

The "IRONGRIP" is developed to be **the best ergonomical blast glove in the market**. Lessening strain and wear on operators wrist area. The glove is constructed using different high-grade materials including leather, rubber for high comfort and resilience. We have gone trough loads of testing and research to get to the final product. We also know that the glove will cover about 80% of abrasive blasting activities. We advice to test the product to see if it fits your needs. The gloves are fully CE certificated as Gloves for abrasive blasting.
