

# Low Shoe Sievi Zone 2+ S3

Produktnummer: SIE52102-113-92M

Zone 2+ S3L is a metal-free safety shoe with composite toe caps and perforation-resistant midsoles. Added protection is provided by the PU cap. The upper is made from durable leather and microfibre. The 3D-dry® lining wicks moisture away from the feet, keeping them dry, and the soles are patterned to provide excellent grip. The Dual insoles provide added comfort.

## Safety class:

EN ISO 20345:2022 S3L SC FO
