Jacket RW Daletec, FR, 350gr, Red

Produktnummer: 6213055

This roomy work jacket features a YKK® non-sparking, front zip. It features seven versatile pockets and shoulder pleats for a full range of movement. All major seams are double- or triple- stitched and stress points bar-tacked for strength. 50mm (2") reflective FR striping on the 621 Series ensures high visibility and safety.
