WORKHAND

Glove Workhand® Dry-Fit Airflow/Cut-C

Produktnummer: WOR100217

DRY-FIT AIRFLOW / CUT C

Itchfree, gentle, and breathable cutresistant glove knitted with yarn made from recycled bottles. Fits like a second skin!

Reinforced cut protection without compromising comfort. Environmentally friendly Smart-Fiber made from recycled plastic bottles gives you a glove with a soft, itchfree interior that protects your hands. The glove fits like a second skin and combines flexibility with precision. The entire glove is OekoTex certified.
