This premium vented coverall has an exceptional look and provides optimal comfort, mobility and functionality. Knitted FR fabric under arms and in back pleats for superior ventilation and freedom of movement. It features nine pockets and concealed YKK® non-sparking spiral zipper throughout. Press studs and zippers are covered by fabric on the inside, so nothing but soft protective material comes in contact with your skin. Major seams are double- or triple-stitched and stress points are bar-tacked for strength. 2"/50mm perforated FR reflective tape applied to shoulders, arms and legs offers added breathability, visibility and safety.
