GLOVE WORKHAND DRY-FIT AIRFL/MPACT, CUT E, WATERPROOF

Produktnummer: WOR200220

The ultimate Impact glove with Cut-E and WaterTech. The glove features a waterproof membrane laminated between the outer layer and the inner cotton glove. Unique Mpact™ impact protection and tough rubber Velcro closure with Puller. No loose layers provide excellent dexterity and make the glove easy to put on and take off. Environmentally friendly SmartFiber™ made from recycled plastic bottles, offering superior comfort and preventing odor.

EN388:2016+A1:2018; EN ISO21420; EN407:2020; EN511:2006
