FR Welding Hood, Orange

Produktnummer: GSAFR-862-25

The Welding Hood offers superior flame-resistant protection tailored for both men and women. Made from durable cotton fabric, it features an adjustable opening for better functionality. With reinforced seams and a new extended cape for enhanced protection and comfort in industrial environments, this hood meets all relevant safety standards.
The garment is flame-retardant, antistatic, and arc approved. The fabric used is welding approved according to EN 11611 Class 2 and has an ATPV value of 11 cal/cm².
