Coverall w/Hood, 5/5/2, Hi-Viz

Produktnummer: TST5640025-5624

Water jetting hi-vis Overall

- Waterjet overall with protection on the entire front, arms and hood.
- Water and dirt repellent, with essential seams taped.
- Smooth and flexible to wear thanks to Athletic Design with enhanced fit and pre-bent sleeves and knees.
- Two ventilation zippers at the back of the overall top, and two ventilation zippers in the side seams of the legs to keep the operator cool and comfortable.
- Lined for high comfort. Comfortable elastic cuffs. Elastic back waist. Adjustable hood.
- Waterproof front zipper with overlapping flap.
- Waterproof zippers at the bottom of the legs allow the overall to widen to facilitate donning the boots.
- Two outer pockets with waterproof zippers. Two inner pockets with zippers.
- Reinforcements on the knees, and pockets for knee pads (not included).
- CE Regulation (EU) 2016/425
- High visibility clothing: EN ISO 20471 Class: 3
