Gloves, Assembly gloves w/imp.protection

Produktnummer: GRA5502

GRANBERG 5502

Impact Gloves

Very soft and flexible TPR protection on the back of the hand provides outstanding impact protection.

The TPR protection covers the most vulnerable areas of the hand, reducing impact energy to the metacarpals and knuckles.

Exceptional comfort with outstanding fingertip sensitivity.

Patented nitrile foam technology provides excellent breathability.

The nitrile foam coating disperses oil on contact, improving grip in wet, dry, and oily conditions.

Treated with Sanitized® to inhibit bacterial growth and help maintain freshness.
