

Alpha Sentinel Reusable Half Mask

Produktnummer: GLOASRAS0001

Alpha Sentinel Half Masks are ergonomically designed for optimum protection, comfort and PPE compatibility.

Product Features

- Well-balanced and lightweight (140g), providing optimum wearer comfort
- Available in three sizes, creating a tailored fit profile, superb fit and comfort for any workforce
- Fully adjustable head harness, offering easy fitting and adjustment, with a robust and trusted fit when in use
- Low profile shape to maximise the field of vision and allow exceptional compatibility with other PPE
- Alpha Sentinel filters are fitted with a simple connection which easily clicks into position
- Premium quality elastic strap provides a secure high comfort fit and retains mask positioning
- The large exhalation valve reduces heat and moisture build-up, providing low breathing resistance
- Easily cleaned and maintained with spare parts available
- Quantitative face fit adapter available
- Respirators are supplied with user seal check covers, which double as particulate retainers for combination filter
