

Alpha Sentinel Reusable Full Face Mask

Produktnummer: GLOASRAS0002

Alpha Sentinel Full Face Masks are ergonomically designed for optimum protection, comfort and PPE compatibility.

Product Features

- The five-point adjustable head harness removes the feeling of a downward pull, ensuring a balanced, comfortable fit
- Well-balanced, lightweight (600g)
- Available in three sizes for a more tailored fit, increasing respirator/fit factor
- Raised visor bridge profile protects the visor from scratches when not in use
- Visor and filter position provides panoramic field of view without any obstructions
- Low profile shape provides exceptional compatibility with other PPE
- The Alpha Sentinel filters are fitted with a simple connection which easily clicks into position
- The large exhalation valve reduces heat and moisture build-up, providing low breathing resistance
- Easily cleaned and maintained, with spare parts available
- Tested to EN136:1998 Class 2, ensuring greater robustness and higher flame retardancy
- Supplied with user seal check covers, which double as particulate filter holder for combination filter
