

Low Safety Shoe, Jalas Exalter 9935, Boa

Produktnummer: JAL9935

Exalter's new generation is upgraded with several recycled and bio-based materials without compromising the superior combination of durability, comfort, and lightness that users have relied on for years. Bio-based microfiber upper with mesh-covered ventilation slots. BOA® Fit System (from recycled material) on the side eliminates pressure points. Aluminum toe cap and recycled metal-free nail protection insert with high-grip Vibram® recycled nitrile rubber outsole.
