Description:

3M™ SecureFit™ Safety Glasses 600 Series are semi-rimless glasses with 3M™ Pressure Diffusion Temple Technology and fixed-length temple arms over the ears.

For optimal optical performance and good field of vision, use 3M™ SecureFit™ Safety Glasses 600 Series. Our innovative and stylish semi-rimless, grey framed safety glasses have two separate lenses for a good field of vision and wide, fixed-length temple arms over the ears for a close, comfortable fit and solid side protection. They feature 3M™ Pressure Diffusion Temple Technology that helps diffuse pressure over the ear and soft nose pads to enhance frame comfort across a diverse workforce. The wraparound design helps provide a secure fit and prevents slipping. These glasses combine well with ear muffs.
