3M™ Versaflo™ Overvisor, Gold, DIN 5, M-967

Produktnummer: 3MM967

Highlights:

- Provides additional protection for 3M Headgear and Helmets
- Shields against debris and contaminants
- Options available include a gold over visor to protect against UV/IR, sparks and splashes
- Ideal for demanding industrial environments

3M™ PAPR Over-Visors are designed to enhance protection for 3M Powered Air Respirator headgear and helmets. These over-visors provide an additional layer of defense against debris and contaminants while maintaining clear visibility. Compatible with various 3M headgear, they are ideal for demanding environments where extra face protection is required.

3M™ PAPR Over-Visors offer an added layer of protection for users of 3M PAPR systems, ensuring enhanced safety in challenging work environments. These over-visors are designed to shield the face from debris and contaminants while maintaining clear visibility, allowing users to perform tasks without compromising on protection or clarity. Options include a gold over visor to protect against UV/IR, sparks and splashes. Compatible with a range of 3M headgear, they integrate seamlessly into existing respiratory systems, providing reliable defense against environmental hazards. The over-visors are suitable for use in industries where additional face protection is necessary, such as construction, manufacturing, and chemical processing. By incorporating 3M™ Powered Air Respirator Over-Visors into your safety gear, you can ensure comprehensive protection and maintain optimal visibility in demanding conditions.

Details:

- Brands: 3M™
- Compatible Respirator Type: SAR
- Compatible With: 3M™ Versaflo™ M-961N Over-visor Frame
- Coupling Size: 0.25" MPT, 3/8" Body Size, Industrial Interchange
- Hazard Type: Radiant Heat
- Headgear Type: Headcover
- High Heat: Yes
- Material: Aluminized Fabric
- Product Color: Gold
- Product Series: Versaflo
- Product Type: Headgear Cover
- Protection Focus: Radiant Heat
- Recommended Application: Assembly
- Recommended Industry: Foundries
- Smallest Saleable Unit: Each
- Spare Parts: Yes
- Speaking Diaphragm: No
- Specifications Met: NIOSH Approved

Dimensions and Classifications:

- Overall Length (Imperial): 19.69 in
- Overall Length (Metric): 50.01 cm
- Overall Width (Imperial): 9.84 in
- Overall Width (Metric): 24.99 cm
