Puffin Offshore Bag, Pinion 54 L, Dark Grey

Produktnummer: PUFPIN54

Pinion Duffel is a versatile bag for both quick and longer trips. It is durable and protects against all weather. The recycled rPet material with coating and welded joints makes this bag completely air and waterproof. The zipper is also specially made to keep the bag waterproof and airtight. Adjustable shoulder straps allow it to be carried like a backpack and handle on the side also serve as attachment points.

- Airtight and waterproof construction
- Very durable
- Welded joints
- Fidlock System (on the side for bigger opening)
