

Coverall, Multishield, Winter cl 3 Black/Yellow

Produktnummer: AAL259-3864-339

This is a insulated winter coverall that provides advanced protection while keeping you warm on cold days. It features inherent flame-retardant properties, an ELIM rating of 40 cal/cm², and APC 2. In addition, it is antistatic and waterproof, and provides protection against liquid chemicals.

The Multi Shield winter coverall has adjustable internal suspenders, which are also removable. The knees are ergonomically shaped and reinforced with Cordura®, and include internal knee pad pockets. Snow gaiters are integrated into the leg openings, and zippers run from the ankles up to the hips to make the coverall easier to put on and take off.

Note: The coverall is equipped with belt loops, but a belt is not included.

Fit:

The Multi Shield men's winter coverall has a regular/straight fit and fits true to size. We recommend choosing your usual size.
