

8828 Classic Moc, Men's 6-inch boot, Alpine Portage

Produktnummer: RW8828

The 6-inch Classic Moc is synonymous with Red Wing Heritage. The boot's unmistakable moc toe and Traction Tred outsole form a silhouette that sets the standard by which all others are measured. Dual-toned stitching and archive-inspired leather elevate the iconic silhouette.

For over 70 years, the Classic Moc has defined Red Wing style. Initially made for hunters and sportspeople, it quickly grew into a favorite of workers everywhere for its long-lasting construction and steady performance. From farms to factories, from artists to architects, this boot has been just about everywhere.

USA-Made Leather

Every pair of Red Wing Heritage footwear is crafted with S.B. Foot Tanning Company leather. Our product team works closely with S.B. Foot employees to create and test different colorways and textures. The natural by-product from the food industry, the leather is crafted with over a century of knowledge to make a premium, longstanding product that ages with grace.
