DEVOLD® Thermal Hood, Black, One Size

Produktnummer: DEV277-910A

Devold® Thermal – made from 100% pure new wool – provides excellent protection against cold, radiant heat and flames. With Devold® Thermal, you stay warm even during rest periods, as wool can absorb significant amounts of moisture without feeling wet or clammy. Devold® Thermal offers high user comfort with inserted gussets for increased mobility, and thumb grips for added protection and insulation. Wool does not melt, and Devold® Thermal is Zirpro-treated to provide additional flameretardant protection. In addition, the garments are antishrink treated.

- Weight: 470 g/m² ± 10%
- Inner material: 100% wool (Pure new wool)

Manufacturer website: Devold - thermal balaclava

Standarder

Standarder	EN ISO 11612, IEC 61482-2
