Produktnummer: MECSMG-91

Details:

- New snag reducing mesh wraps the back of the hand with a single panel reducing additional seams.
- CoolPlus® woven-mesh back of hand reduces heat buildup while working.
- Freedom-Flex stitched cuff design reduces material bunching on the back of the hand in encouraging free range of motion.
- Welded Lock Ring™ grip thumb panel design wraps high wear thumb saddle area increasing durability and reducing vulnerable stitching.
- Touchscreen capable 0.8mm synthetic leather palm.
- Vented palm heel padding protects from light strikes and vibrations while increasing breathability.
- Welded synthetic leather finger coverings provide abrasion resistance and improved comfort.
- Light-weight thermoplastic resin (TPR) hook and loop closure creates a form-fitting and secure fit.
- Machine washable.

For over 30 years, The Original® Hi-Viz has set the standard, delivering unmatched dexterity and durability for hardworking hands. This iteration of The Original, refined with advanced features, continues to be the go-to glove for professionals and DIYers alike. The CoolPlus® woven-mesh back keeps hands cool and comfortable, while the Freedom-Flex cuff ensures unrestricted movement and prevents material bunching. Built for resilience, the welded Lock Ring™ and abrasion-resistant fingertip coverings add durability where you need it most. With a touchscreen-capable synthetic leather palm and vented padding for breathability and protection, The Original® truly lives up to its reputation as The Tool That Fits Like A Glove®.
