3M™ Speedglas™ Magnifying Lens, 1.5X, G5-02, (Bag of 10)

Produktnummer: 3M172020

3M™ Speedglas™ Curved Magnifying Lens 1.5X, fits your Speedglas G5-02 welding helmet, magnifies by 1.5 times for a closer view of your weld

- Magnifies objects by 1.5 times the normal power and is designed for use with the 3M™ Speedglas™ Welding Helmet G5-02.
- No extra lens holder needed, just attach to the G5-02 inner protection plate, making lens installation easier and more secure.
- Position can be adjusted vertically in five steps for optimized view of your work piece.
